Project Description

This project involved improvements to CR12, Oak Street from CR 1, County Line Road to the vicinity of Garfield Avenue, Town of Babylon. Suffolk County Department of Public Works [SCDPW], in conjunction with funding from the Governor's Office of Storm Recovery [GOSR], retained Nelson & Pope Engineers & Surveyors for the Construction Support and Construction Inspection Services for this project. This project reconstructed the entire roadway within the aforementioned limits. This work included but was not limited to drainage, excavation, asphalt pavement, traffic signal installation and line striping. Suffolk County Department of Public Works prepared the plans and specifications in house.

Project Duration

December 2016 through December 2019
